

A photograph of a young child with light brown hair, wearing a blue and white horizontally striped t-shirt, standing on a windowsill. The child is looking out of a large, open white-framed window. Their right hand is reaching up to touch the window frame, and their left hand is pressed against the glass. Outside the window, a high-angle view of a city is visible, featuring tall apartment buildings, a parking lot filled with cars, and some greenery. The scene is brightly lit by natural light from the window.
